Defendant.)	
)	

**CORNING’S MOTION FOR SUMMARY JUDGMENT ON COUNT VII OF
PLAINTIFFS’ COMPLAINT:
PLAINTIFFS’ PATENT INFRINGEMENT CLAIMS**

Corning Incorporated (“Corning”) respectfully moves the Court to grant summary judgment in its favor on Plaintiffs’ patent infringement claims (Doc. 1 at Count VII) pursuant to Rule 56(a) of the Federal Rules of Civil Procedure. Plaintiffs have admitted that their patent infringement claims cannot be sustained under governing law and, in any event, Plaintiffs have no evidence to support their patent infringement claims. Thus, summary judgment should be entered in Corning’s favor.

Corning’s motion is based on the memorandum of law and declarations submitted herewith as well as the motions, submissions and declarations already on file with the Court.

Dated: July 14, 2014

Respectfully submitted,

/s/ Jeff M. Barron
